December, 2015

Happy Holidays to all Rock River Families!

Welcome to December! Can you believe it has been three months since we opened our doors for the first day of school? Truly, it has been a wonderful three months of learning and growing for us, and we are very much looking forward to what the next three months (and many more after that) may bring. We would like to thank everyone who attended the parent-teacher conferences in November. It was great to see so many families in our hallways and classrooms, and we appreciate your dedication and interest in your student’s education.

Positive feelings and high energy are definitely evident throughout the school! However, with winter recess just a few short weeks away, the excitement and anticipation often associated with seasonal activities can distract students and lessen the focus on academics. We encourage all of Rock River students to continue to give 100% effort, and, as a staff, we will continue to help our students reach their goals, both academic and behavioral, by continuously reviewing and enforcing the Warrior Way, intervening early and often, and providing specific, learning-focused feedback.

For your information, here are some of our happenings for December:

- The Winter Concert is on December 17. Grades 2-4 perform at 9:45AM, and Grades 5-6 perform at 1:45PM.

Finally, as a quick reminder, on days when the temperature becomes a factor in deciding if we come inside or stay outside in the morning before school and during the recesses, there is a temperature guideline. If the temperature is below 0°F (including the wind chill factor), we will stay inside for recess until the temperature warms above that mark. If the temperature is 0°F or higher, we will stay outside in the morning and go outside for recess. To be on the safe side, please have your child dress for colder weather. This would include coats, snow pants, outdoor boots, hats, and gloves or mittens.

We continue to have an open door policy and hope to discuss any concerns or questions you may have. We have many great things planned at Rock River Intermediate and are thrilled with the learning that will take place in 2016!

Wishing you a Happy December, Joyful Holidays, and Pleasant Winter Break!

Elizabeth Olson

December 2015
**Mentorship Program 2015-16**

The week following Thanksgiving break we will be selecting approximately 15 students from grades 2-6 who we feel (teachers, counselors, parents and administration) could use a big brother or big sister as a sounding board as they spend time together. Partnering with the High School Junior/Senior group of mentors, our students will spend 1 day a week for approximately 40 minutes talking and sharing what is going on in their lives. This can be carried out in whatever setting the mentor and mentee agree on. That could be the library, computer lab, the gym, weight room or art room. Anywhere both students feel comfortable talking about like and sharing coping skills, experiences and answers to the younger student’s questions.

**College Days for Kids – honors students go to Stevens Point**

This year, I plan on making two fieldtrips to Stevens point with the 6th graders. In past years, I would make one trip to College Days for students in which the kids would sign up for 3 classes to attend on campus, presented by real college professors. The lessons are catered to the level of the 6th graders ability to understand. They will travel the campus with college students who volunteer along with chaperones from the school. They will also eat in the university cafeteria and experience that too. They will receive a t-shirt, water bottle and backpack from the university for a fee of $40. The transportation will be provided by the district.

Who will be selected? I will be doubling the positions because of the two different session we are going to attend this year. I can take 22 students each session. This means that I will be doubling the experience for students eligible. From 24 students last year, to 44 students this year. The winter MAP test scores of reading and math will be added together to determine the eligibility of a student. When all are calculated, an invitation will be sent out to the top 44 students to make the trip. If someone declines the invitational, the next highest combined MAP test total will then be extended the open position.

Lastly, the teachers and administration reserve the right to keep students from attending for poor behavior, poor efforts in class or a concern of how they may represent the school when on the fieldtrip. All students going need to be in good standing with their academics in all of their classes they are attending.

These two trips will take place on April 15th (22 6th grade students) and April 22nd (a second set of 22 students will attend this session).

K. Miller – Counselor 4, 5, and 6 graders.

**Classroom Guidance:** In the month of December we will be talking about careers.

- 2nd graders will be exploring different career options by looking at different items and guessing what career they could be used for. For example, we may have floss, a ruler or a tape measure to discuss. We will also be reading the book *When I Grow Up* by Al Yankovic.
- 3rd graders will work in small groups to discuss different careers and if they would be interested in a career in that field.
- 4th graders will work on filling out the Color Quiz. The Color Quiz is an interest inventory that helps students better understand their personalities as well as possible careers they may be interested in.

At home you can continue our conversation about careers. It is not too early to start talking about different occupations with your 2nd, 3rd and 4th graders. You can help your child understand how his/her schoolwork will be used in future jobs. For example:

- A veterinarian uses math skills to calculate the amount of medicine an animal will need.
- A video game designer uses problem solving skills to correct computer programming errors.
- A marine biologist relies on his or her knowledge of science to study aquatic life.

**Small Groups:** Counseling groups meet for 30 minutes once a week for about 6-8 weeks. Topics of groups may include friendship, anger management, family change, stress reduction and self-esteem. If you would like your son/daughter to be considered for a small group please contact me at eharbath@waupun.k12.wi.us or call me at 920-324-9322 x2205.

Erica Harbath - School Counselor 2nd, 3rd, 4th
We want to thank the following businesses who graciously donated prizes for our Magazine Carnival incentive. Any student who sold one magazine was invited to the carnival on Oct. 29th.
*Subway
*McDonalds
*Tony’s Pizza
*Jimmy John’s
*Dominos'
*A & W
*Pizza Ranch

Rising to New Heights
Mrs. Clark’s physical education classes experienced the Indoor Ropes Course this past week in PE class. Our adventure education/climbing program is a K-12 program. We are very proud of the program we have built that teaching students in kindergarten all the way through their senior year in High School how to trust one another, work as a team, communicate with each other as well as developing their muscular strength and endurance. It is amazing to see students ring that bell or honk the horn for the first time. It is not about making it to the top, but trying their best to climb as high as they can. Climbing really empowers the students. We will climb 10 different days throughout the school year. On Belay! Mrs. Clark

Retired 5th grade teacher, Mr. Steve Scott, along with students, built bird houses for the past several years and sold them. The money they raised would be donated to an organization. Last year Mr. Scott and the students chose to donate the money to Ducks Unlimited. They donated $283.00.
RRIS received a thank you from Ducks Unlimited. The contribution from RRIS helped to conserve an additional 44 acres of wildlife habitat.

On November 10, Rock River held our annual Veteran’s Day program. The 2nd graders wowed the crowd with their rendition of “Proud to be an American,” directed by the famous Mrs. Bengsch! Previous to this, we learned why we celebrate Veteran’s Day and how lucky we are to live in America.

PBIS Spotlight:
During our PBIS Advisory time, students have been focusing on what the Warrior Way of being responsible, respectful and safe looks like throughout RRI. Classroom teachers have engaged students in discussions on bullying (to reinforce our anti-bullying presentations) and recess, line, and lunch expectations. When a student is “caught” demonstrating the Warrior Way, they can receive Warrior Golds to use at the school store or to contribute their classroom buckets.
This year at RRIS, teachers have the opportunity to showcase one of their students each month as the Student of the Month.

**November Students Were:**

Mrs. Wittchow Alex Schmidt  
Mrs. Witthun Alex Fischer

With Christmas right around the corner, I would like to invite you to participate in our Waupun Athletic Booster Club Scrip Program. The profits from this program goes to support our athletic program at the High School. Your child will soon benefit from this program as we work hard to build our athletic programs and facilities for our athletes to compete in. The SCRIP program is basically a gift card program where you purchase gift cards from us at face value and the vendors sell them to use at a reduced rate with the profits benefiting all of the athletic teams at the WAJSHS! Think about how much you spend each week in gas and grocery. Then think about all the other places you shop! This is one of the best fundraisers because you are not asked to purchase more than you normally would buy anyway — why not give the profits back to our schools! I would be happy to answer any question and help you get signed up to support this awesome fundraiser!  
jclark@waupun.k12.wi.us  
The order form is attached at the end of the newsletter!  
Mrs. Clark

---

**Sixth Graders Learn How to Be Entrepreneurs**

Students recently welcomed Ms. Monica Walk from Fox Valley Savings Bank to Mrs. Lodas’ Literacy classrooms. Ms. Walk visited our classrooms to discuss how young people could become small business entrepreneurs. Literacy students were reading the Gary Paulsen book titled *Lawn Boy* about a boy who receives his grandfather’s old John Deer lawn mower for his twelfth birthday. With the help of his stock broker neighbor Arnold, Lawn Boy’s small mowing business turns into a half million dollar summer job.

During her visit, Ms. Walk discussed managing money, types of businesses for young people, and how to develop a business plan. She also brought and shared several small gifts from Fox Valley Savings Bank. All of the students signed a copy of *Lawn Boy* as thank you gift for Ms. Walk to enjoy. We hope our business community is filled with young entrepreneurs in the future.

Mrs. Lodas
Contacting Your Counselor at RRIS (students or parents)

The students in grades 2-6 should all have knowledge about the Counselor’s Corner connection they have with their counselors. This is how this works for both parents and student.

- Search for the Waupun Area School District on the internet www.waupun.k12.wi.us
- Select the schools tab and click on Rock River Intermediate School.
- On the left hand column, you scroll down to Counselor’s Corner, click on it.
- Click on the appropriate web address (Student or Parent)
- This will open up a form, fill it out and send it back.
- The student or parent complaint/question will be directly sent to the grade appropriate counselor.
- The counselor will then follow up on the trouble your child or you feel is hindering their development in school.

How do I contact my school/child’s counselor?
If you are a student  https://goo.gl/mxGfJS
If you are a parent  https://goo.gl/f6Pz5G

Another way that your son/daughter can report personal, friendship or school concerns to their counselors will be set up around November 30th. A mailbox, similar to the lunch money drop box, will be set up outside of the counseling office. Two different colored cards, blue and pink will be placed on each side of the mailbox. Your child will be allowed to take a card with them, fill it out with their observation, personal experience or what a friend may have shared with them, then place it in the mailbox. Mrs. Harbath and Mr. Miller will then sort out the concerns cards, pink ones to her, blue ones to Mr. Miller. We will address each of these concerns ASAP.

The Reading Corner

Welcome to The Reading Corner. Here parents will find ideas and information about reading and writing with your child. Each month there will be a different theme focusing on literacy.

"The greatest gift is the passion for reading."
~ Elizabeth Hardwick, Literary Critic and Author

December’s Theme:
This month we focus on the gift of reading. Both Meadow View Primary and Rock River Intermediate Schools will be hosting a holiday book drive. More information will be sent home in December. As you are thinking about the upcoming holiday season, consider the gift of a book. Check the following website for recommendations and ideas for great books:

The Adventures of Beekle: The Unimaginary Friend
illustrated and written by Dan Santat (Preschool - 2nd grade)

The Noisy Paint Box The Colors and Sounds of Kandinsky’s Abstract Art
by Barb Rosenstock (1st grade - 4th grade)

Chapter Books: (http://www.the-best-childrens-books.org/Newbery-Award.html)
El Deafo by Cece Bell (2nd grade - 6th grade)

Flora & Ulysses by Kate DiCamillo (3rd grade - 7th grade)
Rock River Band Notes

The 5th and 6th grade band students have just started working on their new music for the Holiday Concert in December. The concert is scheduled for Thursday, December 17th at 1:45 in the afternoon. Please continue to encourage your child to practice every week and ask your child to play a song for you. The main learning target areas for band are: tone, notes and rhythms. We have been reviewing note names, note values and talking about how we sound on our instruments during the 1st quarter.

The “Upbeat Kids” Band Program will be starting in November for the 5th and 6th grade band students. Flyers were sent home with your child a couple of weeks ago, and I have quite a few students signed up to participate. This is a great opportunity for your child to practice together with their friends and get extra help on their instrument.

5th Grade Band Students will meet on Tuesdays, starting November 3rd through December 8th from 3:15 – 4:15. We will not meet the week of November 23rd because of Thanksgiving Break. Students need to be picked up at 4:15 by the west entrance door by the cafeteria.

6th Grade Band Students will meet on Thursdays, starting November 5th through December 10th from 3:15-4:15. We will not meet the week of November 23rd because of Thanksgiving Break. Students need to be picked up at 4:15 by the west entrance door by the cafeteria.

Thank you for your continued support of the Instrumental Music Program at Rock River!

Musically,
Mrs. Sauer

Welcome to the Nurse’s Corner!

Vision and Hearing Screenings will be held at Rock River Intermediate School on Thursday, December 10th. 2nd and 3rd graders will be screened for vision and hearing. 5th graders will be screened for vision only. 4th and 6th graders will not be screened this year. If your child is in 4th or 6th grade and you have concerns about their vision or hearing, please let me know and I will screen them separately. All students who do not pass the initial screening will be rescreened in January. If your student does not pass the rescreen, we will send a letter home to you.

Please let me know if you have questions.
Thanks,
Jen Umentum
WASD/Agnesian Healthcare School Nurse

OINK, OINK! There is a long-standing tradition in third grade to start the year by reading some amazing PIG stories. We compare and contrast the stories and even learn how to write a fractured fairy tale narrative. This is NOT BOAR-ing!!
We culminate the activities with a family HOG project where creativity and crafting coincide to design their PIGLET. They really do it in “STY”le! At conferences, we vote to find the two most creative SOWS!
This year’s winners are: (from left to right, back row) Nate G., Emma F., Mason D., Dustin P., Roselyn M.
(Bottom row, left to right) Tallen K., Joycelynn B., Ava E., Mackenzie B.
Winners not pictured: Colton P., Makayla N. and Sophie T.
The fifth graders have made lots of gains as we begin our second quarter this school year. We continue using the book *Wonder* to learn about text structures this month. While reading *Wonder* discussions about differences and bullying have continued, and this went along well with the assembly we had on bullying this month. A highlight of the month was a wonderful Veteran’s Day assembly. This year the fifth graders honored the Veteran’s with different poetry they created. Some of the students read their poems aloud during the program. They wrote four types of poetry the week prior to the program, and in the end two binders were put together for their enjoyment. It has been a busy month with parent/teacher conferences. We have appreciated seeing the communication between the parents, students, and teachers. Success really is a team effort when it comes to education!

During the month of November, our 4th grade students have been delving into realistic fiction stories by studying characters and trying to understand the character’s struggles, motivations and yearnings. They have also been creating ideas for “Small Moment” stories and stories that they wished existed in the world. In Math, they have been adventuring through number story problems, variables, prime and composite numbers, elapsed time, fact families, factors, and multiples. We had a wonderful turnout for our parent/teacher conferences during this month, and we are thankful for all our supportive parents. A special thank you to our fourth grade students who so generously contributed to our classroom library fund, so that we could purchase new books from the Scholastic book fair.

**Waupun Area School District**

**Fuel Up to Play 60**

This is the 6th year Rock River Intermediate School has been involved in the Fuel Up To Play 60 program. There are some great prizes that your child can win and earn by registering online at [www.fueluptoplay60.com](http://www.fueluptoplay60.com). I have attached the directions on how to register. We need 20 students to register to be eligible for school incentives. It is not too late to submit your Fuel Greatness picture for a chance to win 2 Green Bay Packer Tickets. Submit your photo and a 60 word description on how our school Fuels Greatness through eating healthy and promoting physical activity. Check out the details at [http://goo.gl/Njgh1n](http://goo.gl/Njgh1n). Contest runs thru Dec. 15th

---

**School Store is in NEED of DONATIONS!**
We are looking for any gently used or new age-appropriate toys, games, non-perishable snacks, athletic equipment, and other items!
Rock River Band Notes

You are invited to attend the 5th and 6th grade Holiday Concert on Thursday, December 17th at 1:45 pm
Rock River Intermediate School Gym

The band students have been working very hard on preparing their music for the concert. Ask your child to play for you and keep encouraging your child to practice. Playing for others is a valuable part of their musical training. It is important that you encourage and promote any and all improvements no matter how large or small. I look forward to seeing you at the Holiday Concert!

“UpBeat Kids” Program

The “Upbeat Kids” Program has been a huge success! What an excellent opportunity for your child to practice together with their friends and get extra help on their instrument. Thank you parents for providing a ride for your child! Below are the remaining dates for December.

5th Grade Band Students:
Tuesday, December 1st (3:15-4:15)
Tuesday, December 8th (3:15-4:15) practice and pizza party

6th Grade Band Students:
Thursday, December 3rd (3:15-4:15)
Thursday, December 10th (3:15-4:15) practice and pizza party

Musically,
Mrs. Sauer

Parents:
PLEASE make after school plans with your child(ren) in the morning (write the plan in their planner.) If it’s an emergency, by all means we will get your child the message of what he/she needs to do at the end of the day.

Holiday Concert
Rock River Intermediate School Large Gym
December 17
Grades 2,3 and 4 9:45 am
Grades 5 and 6 1:45 pm

* Students are required to remain for the entire concert. This helps demonstrate good concert etiquette and respect towards all performing groups.

*Students are not advised to leave early with their families until after the 5th/6th concert at 1:45 pm (Ends around 2:45). If families choose to take their child home earlier, it will be marked as an UNEXCUSED absence. Students must sign out with their teacher by their own parent/guardian.

*Please make sure your child is dressed appropriately for this special performance. Clothing issues to be aware of: Dress/skirt length, holes in jeans, shirts with inappropriate logos/text, hoodies, sweatpants, spaghetti straps (must include a sweater/shawl to cover up). Students are allowed to wear holiday themed attire!
**Rock River is on Facebook**
Rock River Intermediate School is on Facebook! Find us by searching For Rock River Intermediate School within Facebook or by clicking the icon on the Rock River webpage. Choose to “like” the page and you will receive notifications in your news feed for all the great things happening at our school and community.

**Calling in Absences**
When calling in your child’s absence, you may use the answering machine, which will be available for calls before the office opens in the morning. Office hours are 7:00 am –4:00 pm each day and the phone number is 324-9322. Please remember that your child needs to be called into the office every day that they are absent before 8:30 in the morning. If we don’t receive a call, your child will be considered unexcused. Thank you in advance for your cooperation.

**A Note From the Doctor/Dentist**
When your children go to appointments that require them to be absent from school, we require that when they return to school, they bring a note for our documentation to assist with maintaining accurate attendance records. This note needs to be on official paperwork from the doctor/dentist from which your child had his/her appointment.

**Just a Reminder:**
If your student requires a prescribed medication, inhaler, or emergency medication at school; please bring the medication and a signed doctor's consent (Practitioner and Parent Medication Administration Consent-available on the school web site under the Health Services tab or in your school office) to school as soon as possible. Thank you!

**Winter Recess Dress Expectations**
With the first snowfall, students in grades 2-4 are expected to wear coats, snowpants, boots, hats and gloves/mittens. Those in 5th and 6th grade are expected to wear coats and boots.

**Reminder:**
Students should be dropped off and picked up in the east parking lot (Juniper Hill). The west parking lot is for busses only!! Safety first!!
**Fund Raising Efforts Continue**

In an effort to raise money for miscellaneous needs for our students that come up during the school year, we will be continuing to collect:

*General Mills box tops*  
Please have these trimmed before turning into child’s homeroom.  
To find an updated list, you can go to http://www.boxtops4education.com/products/participating-products.

*Empty inkjet cartridges and laser cartridges*  

These items may be dropped off in the office.

Please ask grandparents, aunts and uncles, neighbors and friends to join in collecting these items. Your efforts in helping to collect all of the above items will be very much appreciated.

**Pizza Ranch Fundraiser**

If your family enjoys getting take out pizza from Pizza Ranch, please be sure to collect the wagon wheel that is located on the side of the pizza box. Our school can turn them into Pizza Ranch and receive 25 cents for each wagon wheel collected. Wagon wheels can be brought to your child’s homeroom.

**School Website**

www.waupun.k12.wi.us/intermediate/

---

**Attendance Policy/Preabs**

Absences which are anticipated (doctor/dental appointments, family trips, funerals etc) need to have a preab completed before the absence occurs. Blank preab sheets are found at the back of the parent/student handbook, on our school website or can be requested from the office (324-9322).

**What If I Arrive Late to School?**

If your child arrives a bit late and sees that their class is already in the building, please come to the front of the building and into the main office. Students must sign in at the office so that we know that they have arrived in order to keep accurate attendance records.

**Calling in Absences**

When calling in your child’s absence, you may use the answering machine, which will be available for calls before the office opens in the morning. Office hours are 7:00 am – 4:00 each day and the phone number is 324-9322. Please remember that your child is to be called in absent to the office every day of their absence before 8:45 in the morning. If we don’t receive a call, your child will be considered unexcused. Thank you in advance for your cooperation.

**Medications**

Remember when sending medications to school that you read the policy in the Parent/Student Handbook and that you have all necessary forms filled out and signed by you and your family doctor.
Friendly Reminders

—Students should not arrive at school before 7:45 am. There is no supervision on the playground before that time. Thank you for your cooperation.
—In the interest of security, we ask that parents do not walk down the hallways to greet their child(ren) at the end of the day. It would be greatly appreciated if you would wait outside in the designated parking lot on the east side of the building. This also reduces end of the day distractions. Again, thank you for your cooperation.
—ALL guests must check in at the office prior to going to any classroom.

District Medication Policy

Wisconsin Law requires that the following requirements be met before prescription medication (including inhalers) can be dispensed at school:
♦ Medication must be brought to school, by an adult.
♦ Medication must be in the original container marked with a current prescription label. The label must state the time the medication is to be given at school (i.e. 12:00) rather than simply stating “three times a day.”
♦ A medication consent form, completed and signed by the prescribing health care provider and parent/guardian, must be on file in the school office. With each change in dosage or medication, a new form must be completed.
♦ Medication Consent Forms are available from the District Website, school office, or area health care clinics and emergency rooms.
♦ Herbal or alternative medications dispensed at school require a prescription medication consent form.
♦ A health care provider can fax a completed prescription medication consent form to the school (fax # 324-2929) if that works for you.
Over the counter medications only require a note from parent stating the name of medication, what condition it is to be given for, time(s) to be given and the dosage to be given. Over the counter medication must be in its original package (not a loose tablet in a baggie). These also need to be brought in by a parent.
If you have any questions about medications in school, please contact School Nurse, Jen Umentum, RN or check out the district policy at www.waupun.k12.wi.us. Jen can be reached by calling 920-324-9322.

HOT LUNCH PRICES
Student Lunch $2.35
Reduced $0.40
Extra milk $0.40
Extra entrée $1.50

BREAKFAST PRICES
Student breakfast $1.25
Reduced $0.30
Milk only $0.40

Pre Abs
If your student will be absent for an appointment, funeral, vacation or anything else that is prearranged, please fill out a pre ab form. These are found on the district webpage.

RRIS Doors
All doors are locked throughout the school day. If your child comes to school after the 8:00 bell, they will need to use the main entrance doors on Spring Street.
